Sobre Nós

A Arteromana trabalha desde 1984 para embelezar a sua casa com peças decorativas em pedra artificial.

Oferecemos diversidade e qualidade a um preço surpreendente.

Rigor, seriedade, competência, tradição, qualidade e inovação são os nossos valores.

Temos por missão todos os anos lançar novos modelos (por nossa iniciativa ou por indicação / pedido de clientes).

Entregamos com rapidez os nossos produtos pois dispomos de um amplo espaço de trabalho, armazenamento e um vasto stock pelo que fazemos a sua entrega (tanto nacional como internacional) num curto espaço de tempo.

Produção

Com um quadro de colaboradores altamente experientes, a Arteromana dedica-se à produção de uma enorme diversidade de peças de exterior e interior em cimento branco a imitar pedra antiga e também marmorites de várias cores.

Os moldes das peças são propriedade da Arteromana e grande parte deles são desenvolvidos internamente.

Ambiente

É nossa preocupação avançar no sentido da produção mais sustentável e ecológica, inovando para criar técnicas e processos, sem nunca colocar em questão o sentido estético e artístico da peça.

O produto ecológico não significa sacrificar a qualidade!

Todos os nossos resíduos são reciclados em empresas especializadas e certificadas em cada uma das matérias.

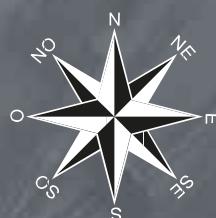

A Arteromana reserva o direito de alterar medidas e/ou pesos dos artigos apresentados neste catálogo.

Os nossos artigos poderão apresentar irregularidades e/ou variações de cor próprias dos artigos fabricados segundo um método artesanal. Estas variações são naturais.

As cores constantes neste catálogo são a título exemplificativo e como tal também podem variar.

Visite-nos em Águeda para conhecer melhor os nossos produtos.

A grayscale microscopic image showing a dense network of blood vessels and cellular structures. Red blood cells are visible as small, circular or oval shapes, while white blood cells appear as larger, more irregularly shaped cells. The overall texture is somewhat grainy and organic.

arteromana

NOTAS

NOTES | NOTES

About Us

Arteromana has been working since 1984 to embellish your home with artificial stone pieces.

We offer diversity and quality at an amazing price.

Rigor, seriousness, competence, tradition, quality and innovation are our values.

We have a mission every year to launch new models (by our own initiative or by appointment / request from customers).

We deliver our products quickly because we have a large work space, storage and a large stock for which we deliver (nationally and internationally) in a short space of time.

Production

With a highly experienced staff, Arteromana is dedicated to the production of a huge diversity exterior and interior pieces in white concrete to imitate aged stone and also marble of various colors.

The molds of the pieces are owned by Arteromana and most of them are developed internally.

Environment

It is our concern to move towards more sustainable and ecological production, innovating to create techniques and processes, without compromising the aesthetic and artistic sense of each piece.

The eco-friendly product does not mean sacrificing quality!

All our waste is recycled in specialized companies and certified in each of the materials.

Arteromana have the right to change measures and weights of the articles presented on this catalog.

Our articles may show irregularities or color variations typical of articles manufactured according to a handmade method. These variations are natural.

The colors on this catalog are only an example and as such may also change.

Sur nous

Arteromana travaille depuis 1984 pour embellir votre maison avec des pièces de pierre artificielles.

Nous offrons la diversité et la qualité à un prix incroyable.

Rigueur, honnêteté, compétence, tradition, qualité et innovation sont nos valeurs.

Notre mission est de lancer de nouveaux modèles chaque année (de notre propre initiative ou sur demande des clients).

Nous livrons nos produits rapidement car nous disposons d'un grand espace de travail, et d'un stockage important qui nous permet de livrer (à la fois national et internationalement) en peu de temps.

Production

Avec un personnel hautement qualifié, Arteromana est dédié à la production d'une grande variété de pièces d'extérieures et d'intérieures en ciment blanc qui imite la pierre vieillie et le marbre de différents couleurs.

Les moules des pièces appartiennent à Arteromana et la plupart d'entre elles sont développées en interne.

Environnement

C'est notre souci d'évoluer vers une production plus durable et écologique, d'innover pour créer des techniques et des procédés, sans jamais mettre en cause le sens esthétique et artistique de chaque pièce.

Le produit écologique ne signifie pas sacrifier la qualité!

Tous nos déchets sont recyclés dans des entreprises spécialisées et certifiés dans chacun des matériaux.

Arteromana a le droit de modifier les mesures et les poids des articles présentés dans ce catalogue.

Nos articles peuvent présenter des irrégularités et des variations de couleur typiques des articles fabriqués selon une méthode artisanale. Ces variations sont naturelles.

Les couleurs dans ce catalogue sont à titre d'exemple et elles peuvent également varier.
